In your “Flower Show Packet I send out when I receive your “Letter of Intent”, you will find the form for the Staging Award. You Must give this form to the Evaluating Panel at the show. They are to fill this form out at the show and all three sign it. YOU provide them with an addressed envelope with My name and address so they can mail it. This is how the staging is decided. If you have any questions just email me. ....thanks Deb

Don't forget, if you are having a flower show whether it is evaluated or not you **MUST** send in a letter of intent. This way know who will receive the "Flower Show Recognition Award"
